Bring your 3-6 year old and their power wheels and race
the dogs to raise money for PAWS!

The races have gone to the dogs! PAWS Henry Wrinkles Foundation is holding a Spring Rally at R.C. Hobbies in Jonesboro on Saturday May 16th. Time trials begin at 11a.m. and races start at 1p.m. The event will raise money for the new "Spay if Forward" program which loans money to people for spaying and neutering procedures. "Henry Wrinkles" and his friends will be in remote controlled power wheels and want to race any 3-6 year old that wants to take on the challenge while having fun and raising money for a

good cause! Cars must be pre-entered by calling R.C. Hobbies at 870-933-0479. The entry fee is \$10 and all children will receive entry prizes. PAWS pets will be on hand for adoptions and Vet Care's Dr. Reed, DVM will have a booth along with other local merchants. There will be free raffles and drawings for spay/neuter vouchers and Wal Mart Gift Cards. PAWS hopes to see you at the races!

Be Kind to Animals Week May 3rd – 9th

Since 1915 American Humane's "Be Kind to Animals Week" has celebrated the human-animal bond. This year during May 3rd thru the 9th why not make a dog or cats day by giving them a new home, yours!

Help PAWS spread awareness during this week by teaching your children to be responsible pet owners, spaying or neutering your own pets and making sure your pets have proper id tags and are kept on monthly heartworm and flea and tick preventative.
